

FIRST AND SECOND QUARTER UPDATE 2020

Greetings to you all in the name of our Lord, Jesus Christ. The year 2020 started on a sad note because of the Covid-19 pandemic which the entire world is fighting to contain. Some of our clients at home and abroad lost their loved ones. Our deepest condolences to you and we pray that you may find comfort in the Lord. As the entire world hopefully prays for a vaccine, we continue to urge you to maintain the preventive measures.

The economy continues to shrink and it is through hard work and perseverance that we will survive. We continue to urge you to pay monthly instalments to enable continuity on the project. Payments can be made in the comfort of your homes on the following platforms:

- Account name:** True Destinations Investments
- **ECOCASH:** *151*2*2*147358*amount#
 - **ZB BANK:** 4537-509125-200
 - **STANBIC ZWL ACCOUNT:** 9140002766913
 - **STANBIC NOSTRO ACCOUNT:** 9140001038256
 - **SWIFT CODE:** SBICZWHX

We still encourage you to introduce new clients to the Northgate Heights family. Residential, commercial as well as institutional stands are still available at competitive prices.

There has been a delay in the electrification of the project due to unavailability of certain materials which was caused by Covid-19 travel restrictions, thereby affecting our contractor. However, everything is now in place and the contractor is currently on the ground, working on finishing the electrification exercise. It is our hope that everyone will rejoice with us as soon as Phase one of our electrification process has been finalized. The rest of the suburb will be energized in stages.
